25. To see if the town will vote to revise the building code by rescinding the code adopted under Article 28 of the 1963 Town Meeting and by adopting the following:

Revised Building Code of the Town of Dunbarton  
Section I - Purpose of Code

The purpose of this code is to provide for safety, health, and public welfare through structural strength and stability, means of egress, adequate light and ventilation and protection to life and property from fire and hazards incident to the design, construction, alteration, removal or demolition of buildings and structures.

#### Section II - Building Inspector - Appointment

The Building Inspector shall be appointed annually by the Board of Selectmen.

#### Section III - Duties of Building Inspector

The Building Inspector shall inspect all buildings or structures during construction to see that the provisions of law are complied with and that construction is prosecuted safely.

#### Section IV - Fees

A fee of \$10.00 shall accompany each application for a building permit.

#### Section V - Permits

No building or structure shall be built, enlarged or altered in excess of \$500.00 without a permit from the Building Inspector.

#### Section VI - Supplementary Requirements

Buildings must be constructed according to good building practices. The 1955 edition of the National Building Code recommended by the National Board of Fire Underwriters shall be deemed to be generally accepted good practice.

#### Section VII - Penalties

A person who shall violate a provision of this code shall be guilty of a misdemeanor punishable by a fine of not less than \$10.00.

#### Section VIII - Penalties - Enforcement

Upon any well-founded information that this code is being violated, the Selectmen shall, on their own initiative, take immediate steps to enforce the provisions of this code.

#### Section IX - Exceptions

Minor alterations, repairs, and general upkeep of existing buildings together with small portable buildings shall be exempt from the provisions of this code.

26. To see if the town will vote to amend Article 27 of the 1965 Town Meeting as amended by Article 27 of the 1966 Town Meeting, by striking out the 1966 amendment and inserting the following:

4. Any mobile home located in this town after the effective date of this act, at any location other than in a Mobile Home Park, shall not be located on a lot containing less than one (1) acre of land, with at least 150 foot frontage on a public right-of-way.

5. Any mobile home located in this town after the effective date of this act, at any location other than in a Mobile Home Park, shall be not less than 50 foot by 10 foot in size.

# ANNUAL REPORT OF THE DUNBARTON PLANNING BOARD

1968

The Dunbarton Planning Board held regular monthly meetings in 1968 with meetings devoted to two major matters. These were: review and recommendations relating to a new town dump, and preparation of a proposed zoning ordinance.

In regards to the town dump problem, there was considerable discussion and review of the problem among the members and with the Selectmen. Various alternative solutions were discussed, including a regional effort involving refuse pick up under a contract with the Town of Goffstown, and a town supported refuse pick up program for Dunbarton alone.

It was finally determined that Dunbarton should seek to establish a local dump facility and after much discussion of possible new locations, it was recommended that the Selectmen seek to purchase the so-called Perini land on Route No. 77. A request for acquisition authority is expected to be brought before Town Meeting.

A method of operation for a new town dump will have to be sanitary landfill or incineration (under terms of new State Air Pollution laws). This issue remains to be resolved in 1969, but new techniques of incineration indicate costs may be feasible for Dunbarton.

A proposed zoning ordinance was prepared and reviewed starting in November. This has turned out to be a complicated task and a first draft has not yet been completed. Because of the importance of such a proposal it was decided to spend as much time as is needed in 1969 to review the proposal at public meetings. Lacking this review it was decided not to request a vote on the proposed zoning at the Annual Town

Meeting. If public hearings result in a completed proposal, a special Town Meeting will be requested.

Other business conducted by the Planning Board in 1968 included:

Review and recommendations to Selectmen relating to proposals for mobile homes parks;

Attendance by Board members at community planning seminars at St. Anselm's College and solid waste disposal seminars at the State House in Concord.

Recommendations to the State Highway Department relative to the public access road at Kimball Pond.

John Ballam resigned as a member of the Board and Simon Audet was appointed to complete his term.

Review and recommendation for revision of the town building code. A request for amendments will appear in the Town Warrant.

The Planning Board hopes to complete its proposal for a town zoning ordinance in 1969 and anticipates assistance from the town in preparing this for a final vote.

Respectfully submitted,

# REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

Donald Montgomery, Warden

Gerald H. Hight, District Chief

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result - escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn -
  - a. You need a written permit from the town fire warden for all debris burning except when the ground is covered with snow. Cooking

fires in outdoor fireplaces or in charcoal braziers in your own back yard is permitted on notification of the warden.

- b. The warden is forbidden by regulation to allow burning of household rubbish on grass by householders between 9:00 A.M. and 5:00 P.M.
- c. Have equipment on hand to control the fire before you light the match.
- 4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Forest fire record for 1968:

	No. of Fires	Woodland acres burned
State	593	349
District	74	85
Town-Dunbarton	4	4.25

## REPORT OF DUNBARTON LIBRARY TRUSTEES

Accomplishments have been many at the Dunbarton Free Public Library this past year. During the summer, a complete cleaning and painting by Mr. Leon Tucker was accomplished. This was the first time this had been done since the library was opened in the new town hall in 1910. Needed electrical outlets were also installed.

The cataloging of the books continued with Mrs. Agnes Marshall in charge. A new card catalog case was purchased with the gift of \$50.00 from the Woman's Club and the interest from the Chase Trust Fund.

Being a member of the Statewide Library Development Program has many advantages, one of which is the receipt of \$100.00 worth of reference books selected by the librarian and trustees from a list containing almost 300 books. A requirement on the part of the library is a written policy adopted and filed with the State Library Commission by July 1, 1968. This was completed after many hours of work by the librarian and trustees. Another requirement is having the library open to the public 12 hours a week by July 1, 1972. At the present time the library is open 7 hours a week. In order to increase the hours, the library must be staffed. Therefore an increase in the appropriation is being requested.

Many gifts were received, among which were memorial gifts to Miss Grace Webster, subscriptions to Readers' Digest, Yankee Magazine, the book *Richard Montgomery, Rebel of 1775*, 24 LP records of Christmas and popular music and a typewriter.

The PTA school library program continued with the cooperation of school officials and the library staff. The story hour for pre-school children was continued

by Mrs. Jacqueline Letourneau through the summer. In the fall Mrs. Frances McKay and Mrs. Jeannette Perron carried on with this popular program.

The trustees were notified that the will of Charles A. Little named the Dunbarton Public Library as a beneficiary: "If after the death of my said brother there shall be any of my estate remaining, it shall go to the Dunbarton Public Library of Dunbarton, New Hampshire, tax free". The estate is still in the process of being settled and the library will receive the money at a later date.

The present library hours are Tuesday 3-8 PM and Saturday 3 - 5 PM. The librarian is ready to assist in any way and all are invited to visit and make application for a library number.

# DUNBARTON POLICE DEPARTMENT

## REPORT OF DUNBARTON POLICE DEPARTMENT 1968

Early in 1968 the Dunbarton Police Department was advised by the Division of State Police that due to Federal regulations the possibility existed that a new type of 2-way radio would be placed in use before the end of year. Consequently at the 1968 town meeting the sum of \$750.00 was raised and appropriated for the purchase of one radio, with any unexpended balance to be held over to the following year. The proposed change-over was not made in 1968, therefore the money was not expended and is still available for the purchase of a 2-way radio.

In November 1968 this department was notified by the Division of State Police that as of July 1, 1969 our present radio system will be discontinued. For this reason, the Police Department is requesting that the sum of \$750.00 be raised and appropriated this year for the purchase of a second 2-way radio.

The following is a list of the hours and type of duty performed by your police officers during the past year plus 41 hours assistance by your reserve officers. Type of activity in hours:

Investigation	118
Patrol	129½
Stray animals	22½
Property checks	21½
Radar	3½
Traffic control	16

## Dunbarton Volunteer Fire Department.

This has been another excellent year for your fire department. A great deal has been done to prevent the cause of fires in the home and elsewhere in our community. Let's keep up the good work.

The following list contains the calls we responded to in 1968:

- 2 Resuscitator calls
- 5 Brush fires - 4½ Acres
- 2 Car fires
- 1 Chimney fire
- 5 Town Dump fires
- 1 House fire
- 1 Mutual Aid Call to Bow

In February the department was given a pure bred Dalmatian dog by Mrs. Eugene Holden, who raises pure bred Dalmatians. We are one of many departments who now have one of these beautiful dogs as Mrs. Holden has them in fire departments all over the United States. The dog's name is CINDY and has appeared in several parades, to the delight of many children.

I wish to extend my thanks to everyone who has helped us in any way.

Sincerely yours,

Harold Mooney, Chief

## REPORT OF THE DUNBARTON CONSERVATION COMMISSION

The Dunbarton Conservation Commission was adopted by the 1968 town meeting. This seven-member commission acts as an advisory board to the selectmen with its powers subject to the approval of the selectmen as set forth in RSA 36A. It should be clearly understood that this commission has no power to acquire land except by gift or free purchase. The selectmen announced in September the appointment of the members as follows: Mrs. Jane B. Grant - Chairman, Mrs. Jeannette B. Perron - Vice Chairman, Mrs. Mildred M. Carlson - Secretary, Mr. Fredolph Blomquist, Mr. Frederic Greenhalge, Mr. Roy Scott and Mr. Fred Lord.

It is the responsibility of the Conservation Commission to make recommendations for the better use, development and promotion of the town's natural resources. To this end we have conducted a very successful survey of one hundred families who have answered a simple questionnaire to get their opinions and ideas on such matters as special natural or scenic areas which might be considered for protection, areas desirable for recreational development, present threats to any of these areas and ways in which to improve and enhance the present high quality of our environ-

ment. The results of this survey will be compiled for the benefit of the community.

Townspeople who assisted in the survey other than members of the commission were: Mr. Richard Antonia, Mr. J. Willcox Brown, Mr. Archie Gourley, Mrs. Gladys Hayek, Mr. John Le Tourneau, Mr. Francis Merrill, Mr. J. Gardiner Mills, Mr. Randall Raymond, Mrs. Priscilla Reinertsen, Miss Gladys Van Dyke and Mr. William Zeller.

Meetings are held the 4th Tuesday of each month. Delegates from this commission have attended two state-wide conferences on conservation.

Being a new commission our plans for the future are enhanced by the successful response to our recent survey and the able assistance of Mr. Floyd Barker, Natural Resources Coordinator of the New Hampshire Cooperative Extension Service and also by the Society for the Protection of New Hampshire Forests.

Over the coming year the commission will study the wetlands now owned by the town with a view to having these lands placed under the supervision of the commission either by deed of the selectmen or in some other manner to insure that in years to come these marshlands will remain in their present condition.

Mildred M. Carlson, Secretary

## A THANK YOU MESSAGE:

We wish to express our deep and lasting gratitude to all the people who have so generously given of themselves to us with furniture, clothing, financial support and personal interest, and to the Fire Department who availed us of needed medical treatment as well as fighting an all consuming fire with gallant efforts. The friendship and gifts have not only assisted us in beginning over again but have also helped immeasurably in overcoming the feeling of desolation left by the loss of our home.

How fortunate we are to have so many friends and how difficult it is to express our real feelings of gratitude with the written word. We hope to be able to thank you each individually. In the meantime, may this message impart to you all the conveyance of our deepest appreciation for your unforgettable support.

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Dunbarton qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on Saturday, the 8th day of March 1969, at eight o'clock in the evening to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officer or agent of the District.

2. To hear the reports of Agents, Committees, or Officers chosen, and pass any vote relating thereto.

3. To choose Agents and Committees in relation to any subject embraced in the Warrant.

4. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

5. To see if the District will authorize the School Board to contract with the Concord Union School District for the tuition of Dunbarton pupils in the schools of said District at the amount necessary to provide therefore.

6. To see if the District will authorize and direct the School Board to negotiate for and enter into a tuition contract providing for the tuitioning of Dunbarton pupils,

grades 7 and 8, to the Goffstown School System for the school year 1969-70.

7. To see if the district will vote to create and elect an AREA School Planning Committee consisting of three (3) qualified voters of the district of whom at least one (1) shall be a member of the School Board, which committee shall perform the functions and duties set forth therefore in the Revised Statutes Annotated of New Hampshire, Chapter 195-A, for the purpose of considering fully and objectively the question whether Dunbarton, Goffstown, and New Boston, and any other town or towns so desirous, should unite to establish an AREA high school in Goffstown, so as to be eligible for increased state building aid, tuition-bonus payments, and such other advantages as are provided for by said R.S.A. 195-A.

8. To see if the District will vote to authorize the design, construction and equipping of an elementary school, including the acquisition of land, and to appropriate a sum of money therefore to be raised by borrowing in accordance with the provisions of the Municipal Finance Act RSA c33 or otherwise. (Inserted by Petition)

9. To see if the District will authorize the Moderator to appoint a committee of ten (10) of whom three will be the members of the Dunbarton School Board to be known as the Dunbarton School Building Committee to plan and guide the construction of the building. (inserted by Petition)

10. To see if the district will vote to withdraw from the Capital Reserve Fund a sum not to exceed \$4,000

plus accrued interest for school building. (Inserted by Petition)

11. To see if the district will authorize the School Board to appoint a committee of ten (10) of whom three will be the members of the Dunbarton School Board to be known as the Dunbarton Long Range Elementary Education Planning Committee. This committee to study future school building needs, to prepare plans relating thereto and to report on the estimated date of need, location and cost of any construction; and/or study the advisability of increased tuitioning of elementary pupils or any other possibilities for improving elementary education for Dunbarton pupils. This committee to report at a time designated by the moderator. (Inserted by Petition)

12. To see what sum of money the district will vote to raise and appropriate for the support of schools for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

13. To transact any other business that may legally come before said meeting.

Given under our hands at said Dunbarton this       day of February 1969.

# RECORD OF THE 1968 SCHOOL DISTRICT MEETING OF THE DUNBARTON SCHOOL DISTRICT

March 9, 1968

The meeting was called to order at 8:08 in the evening by Moderator Hammond, who started by reading the Warrant, which had been duly posted for at least 14 days before said meeting.

The articles in the Warrant were taken up in order:

ARTICLE 1: Harold Mooney moved "that the salaries of the School Board, Truant Officer, and other officers or agents of the district be accepted as printed in the budget." It was stated that this amounts to a total of \$216.00. The motion was passed unanimously.

ARTICLE 2: John Thalheimer reported that the Authorized Regional Enrollment Area committee had held a public hearing on January 29, 1968, and that the plan had been approved by the State Department of Education. (see ART. 7)

ARTICLE 3: Kenrick Bean moved that no action be taken on this article and it was passed over.

ARTICLE 4: Mr. Mooney moved "that the District authorize the School Board to request the Board of Selectmen to grant the use of the lower town hall by the school district for classroom purposes for the 1968-69 school year". An amendment which deleted "... for the 1968-69 school year" was offered by J. Willcox Brown (so that this motion would not have to be voted on year after year, but could be rescinded in the future if so desired). Mr. Brown's amendment passed 50-7 and the amended motion carried.

ARTICLE 5: Mr. Thalheimer's motion "that the District authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States", was unanimously passed.

ARTICLE 6: It was moved by Mr. Bean "that the District authorize the School Board to contract with the Concord Union School District for the tuition of Dunbarton pupils in the schools of said district at the amount necessary to provide therefore". Discussion followed and it was pointed out that our contract with Goffstown contains a provision that any student who was enrolled in Concord at the time of the annual meeting of 1965 may continue schooling there. The motion passed 32-26 by standing vote.

ARTICLE 7: (see ART. 2) Mr. Thalheimer moved "that the School District accept the provisions of New Hampshire Revised Statutes Annotated, Chapter 195-A (as amended), providing for the establishment of area schools located in Goffstown to serve grades 7-12 from the School Districts of Dunbarton and Goffstown and New Boston in accordance with the provisions of the plan on file with the district clerk."

Ample time for discussion was allowed, during which time the question was asked whether an AREA agreement could be broken before 20 years had passed. State law RSA 195-A:14 was quoted and it was stated that at present there is no legal provision for breaking the agreement before 20 years have passed.

Mr. Thalheimer explained that the use of the word "shall" in item J of the plan implies that the district must study a Cooperative (Regional) School District. 73 citizens voted secretly by checklist. L. Webster Burnham supervised the checklist. After all had apparently voted, the moderator queried, "Have all voted who wish to do so?" and, receiving no reply, he said, "If so, the polls are closed."

The ballots were counted by ballot clerks Donald Terrill and Michel Belanger, together with the Moderator, and showed 52-yes, 21-no, and said ballots were put into the clerk's hands for safe-keeping.

ARTICLE 8: Mr. Mooney moved "that the district

authorize and direct the school board to negotiate for and enter into a tuition contract providing for the tuitioning of Dunbarton pupils, grades 7 and 8, to Goffstown School System for the year 1968-69", and this was carried unanimously. It was made clear that this article would be unnecessary if Goffstown votes for the AREA agreement.

ARTICLE 9: Mr. Thalheimer moved "that the District raise and appropriate \$110,027.91 for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District", and the increases in the budget were explained. After discussion, the motion was carried unanimously.

ARTICLE 10: Mrs. Charles Williamson suggested a rising vote of thanks for John Thalheimer and his 12 years service on the school board, during which time much progress has been made in Dunbarton education. The assembly gave Mr. Thalheimer a standing applause.

Moderator Hammond declared that the polls would open at 10 A.M. on Mar. 12th for voting on school officials, and, at 10 P.M., the meeting was recessed until Mar. 12th, on which day the election ballots will be cast and counted.

The ballots for School District Officials were counted and found as follows:

Total ballots cast - 283

For School Board for three years:

Constance B. Casella	159
Charles E. Frost	112
Fredolph Blomquist	1

For Moderator for one year:

Richard I. Hammond	253

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Dunbarton:

I herewith submit my seventh annual report relating to the Center School and the lower town hall classrooms.

The Dunbarton School District is not unique in New Hampshire in facing current spiralling costs of education and in accomodating increased enrollments.

The inflationary trend of the nations economy has been reflected locally in the purchase of textbooks, supplies, teachers' salaries, tuition, custodial services, transportation and nearly every item related to education.

The Concord School Department recently announced that the tuition for 1969-70 will be \$1,000 per high school student. The Goffstown High School tuition will be approximately \$630 per year.

Dunbarton is faced with a growing school population which has outgrown our present facilities.

Grades 1 - 8

1961	1962	1963	1964	1965	1966	1967	1968
77	87	96	113				

Grades 1 - 6

108	103	103	116
-----	-----	-----	-----

Tuition Students

35	38	39	49	61	72	67	63
----	----	----	----	----	----	----	----

TOTAL

112	125	135	162	169	175	170	179
-----	-----	-----	-----	-----	-----	-----	-----

The table above suggests that Dunbarton has experienced a 49 percent increase in school population in a period of seven years. Further study reveals that in September 1968 more pupils were enrolled in

grades 1 through 6 than were enrolled in grades 1 through 8 in 1964, the last year that grades 7 and 8 were housed in Dunbarton.

*September 1968*

Grade	1	2	3	4	5	6
Enrollment	23	18	15	22	16	22

Grades 1 through 3 are currently taught by three teachers in self-contained classrooms affording many educational advantages over the double graded situation that prevailed in these grades until recently.

Grades 4, 5 and 6 are taught by two teachers. The double graded situation poses many educational problems as well as the problem of the employment of teachers in an era when many single grade positions remain unfilled. As the numbers in the various grades increase, to allow for effective teaching and a reasonable learning climate, it will be necessary to continue to increase the single grades to six. The grades will be accomodated in town with additional classroom space made available or arrangements must be effected for tuitioning a grade or grades in another school system.

A full assessment of the prevailing educational advantages and short-comings needs to be made. The results, fully explained and understood by the entire community, will assist in determining the Dunbarton educational plan of the immediate and distant future.

The long-term tuition with the Goffstown School District continues to provide a good educational opportunity for the junior high and high school students of Dunbarton. There should nevertheless, be a continual effort to effect an even closer educational relationship with Goffstown and other school districts until

such time as an AREA or other mutually advantageous pattern is a reality.

The Dunbarton School Board under the direction of Kenrick Bean, Chairman and active members Mrs. Constance Casella and Harold Mooney are conscientiously concerned with the educational problems faced by the Dunbarton School District.

Paul Kilmister resigned his position of Consultant, Administrative Services, N.H. State Department of Education to assume the duties of Assistant Superintendent of Schools for N.H. Supervisory Union No. 19 comprised of Dunbarton, Bow, Goffstown, New Boston and Weare. Mr. Kilmister brings to the educational effort of the Supervisory Union No. 19 a rich background in education as well as an outstanding background from many years of experience at various educational levels including teacher, principal, teacher consultant and state education department consultant.

I wish to extend my appreciation for the support and cooperation extended to me by the school board, our new Assistant Superintendent of Schools, Paul Kilmister, the principals, teachers, pupils and citizens of Dunbarton as well as the loyal support of the Supervisory Union No. 19 office staff.

Respectfully submitted,

Ernest Peltonen  
*Superintendent of Schools*

The school health services have had complete cooperation from all community agencies. The New Hampshire Tuberculosis Association, New Hampshire Sight Conservation, New Hampshire Bureau of Public Dental Health, New Hampshire Child Guidance, New Hampshire Crippled Children's Association, the local P.T.A. and all supporting agencies.

The Concord Community Mental Health clinic has been a source of motivation for the development and improvement of mental health in the classroom. We have found this service a valuable addition to our total school health program.

Miss Patricia Linehan, a state dental hygienist, attended our pre-school registration. At this time all pre-school children received a dental health evaluation and recommendations were made. Nineteen children and their mothers were present.

Topical fluoride was made available through the cooperation of the local P.T.A. and the school health services. This program consisted of cleaning the child's teeth plus an application of topical fluoride. A referral program was incorporated with this service. Seventy-one children participated in this program.

The Crest educational program was also used in our school system.

A Menstrual Hygiene program was presented to all fifth and sixth grade girls. A film was presented and appropriate literature was given to each student.

Optimal health is essential for maximum utilization of educational opportunities, therefore, the health status of the child bears a direct relationship to the quality of educational achievement. The School Health Service attempts to be a stabilizing influence between the home, the school, and the community, and is ever contributing to the improvement of health and education of students.

We wish to express our thanks to the Superintendent, Parents, Teachers, and the School Board for their cooperation.

Respectfully submitted,

Beatrice Bockus, R.N.

Doris N. Bailey, R.N.
